

B COMMERCE
Non-professional Accounting (ACC01)

This is a suggested sequence of units which may guide you in planning your academic program for 2008. It is your responsibility to check pre-requisites and ensure that your program satisfies the University requirements for the award of a Bachelor Degree as set out in the 2008 Handbook.

Students transferring to Macquarie University who wish to have qualifications obtained at other tertiary institutions considered for accreditation by the professional accounting bodies (CPA Australia and ICAA) are reminded that it is the student's responsibility to ensure that these qualifications are accepted by the professional bodies.

General requirements for the Bachelor of Commerce non-professional accounting degree (ACC01)
