

## Gnats Instructions

- ❖ There is a new version of the Gnats quizzes this year.
- ❖ They can be accessed from the Gnats icon on the Stat170 WebCT home page.
- ❖ When you click on this icon a new login box will appear.
- ❖ Your login ID here is your student ID and your password is also your student ID. You will need to change your password when you first access this site.
- ❖ After clicking on the quiz you would like to attempt, YOU MUST SELECT TEMP SAVE from the box on the right. This will save your data so that, if you decide to print off the quiz and enter your answers later, you will have the same set of data.
- ❖ You can save your answers to questions in the quiz you have saved by clicking on TEMP SAVE.
- ❖ After finishing the quiz you must SUBMIT QUIZ at the bottom of the page.
